Dream Home comes Alive, Live the Isha life

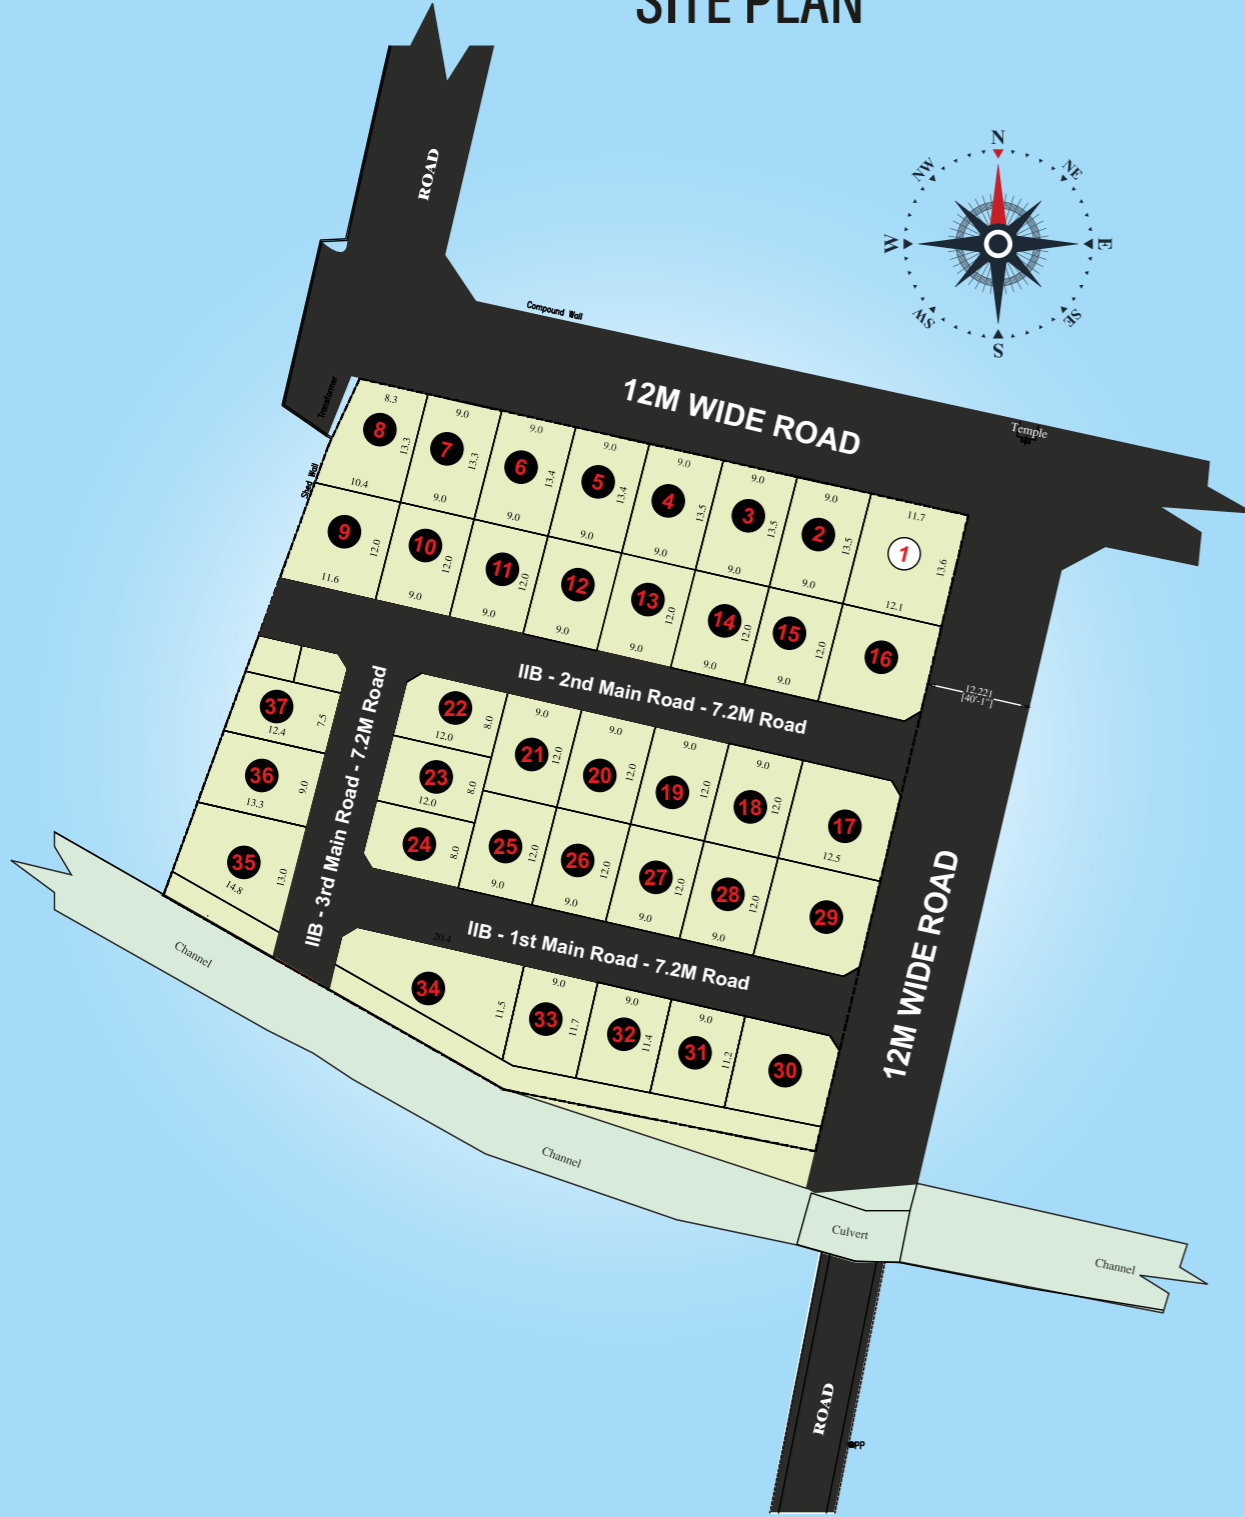

Big opportunity to get your own piece of land

Isha Homes ISHTABHUMI is one of the finest locations to live or invest for long term benefit. Located just ten minutes away from Sholinganallur junction, it's a very serene, **pollution free location with ample potable ground water.** It's well connected on all sides with OMR on one side and Tambaram - Velachery main road on the other side.

In the next 3 to 5 years, the prices in this place are expected to appreciate multifold with the rapid infrastructure development in and around this area. It's the best place to invest and best time too.
